

1 9 9 7 / 0 9

Technical drawing of a rectangular box. The top view shows a square-like shape with rounded corners, with a width dimension of 70. The side view shows a box with a height of 80 and a base thickness of 10. The front view shows a box with a height of 35. A label is attached to the front view, with a pointer indicating the label area. The label contains the text "出口" (Export) and "一山" (Yi Shan).

Technical drawing of a metal rod. The main view shows a rod with a diameter of 25mm and a length of 220mm (maximum wall thickness). The rod has threaded ends with a specification of M25 x 1.5. A cross-sectional view on the right shows the internal structure of the rod, which appears to be a hollow tube with a central bore.
