

-
- Technical drawing of the side view of the toilet unit. The drawing shows the unit's profile and its connection to the wall and floor. Key dimensions and labels include:
- 壁仕上面** (Wall finish top): Indicated by a dashed line and an arrow pointing to the top of the wall.
 - 700 (便器先端: 692)**: Overall width dimension from the wall to the right edge of the unit.
 - 3**: Dimension indicating the gap between the unit and the wall.
 - R1/2**: Label pointing to the water supply connection on the left side.
 - 床仕上面** (Floor finish top): Indicated by a dashed line and an arrow pointing to the floor level.
 - 注2** (Note 2): Label pointing to the base of the unit.
 - 200**: Dimension indicating the distance from the wall to the center of the base.
 - φ5×50**: Label pointing to the mounting screw on the wall.
 - φ5×40**: Label pointing to the mounting screw on the floor.
 - (取付可能範囲 190~210)**: Dimension indicating the range of possible installation heights.
